

2027 the 10th International Conference on Aeronautical, Aerospace and Mechanical Engineering

The Conference Committee takes the pleasure to invite you to the 2027 the 10th International Conference on Aeronautical, Aerospace and Mechanical Engineering (AAME 2027) to be held in Ningbo, Zhejiang, China during March 26-28, 2027.

AAME 2027 has inherited from the tradition of nine previous AAME conferences, promoting an innovative environment for researchers to present their new research and engineering achievements and share their experience with researchers working in similar fields. AAME 2027 will create a global platform for researchers, scientists, academicians, policymakers, industry experts to share experiences, discuss research findings and acquire the desired knowledge in the subject from around the world with many networking opportunities.

Conference Committees

*Conference Chairs

Prof. Yuehong Qian, Soochow University, China

Prof. John Mo, Royal Melbourne Institute of Technology, Australia

Prof. Lixi Huang, The University of Hong Kong, Hong Kong, China

*Conference Co-chairs

Prof. Qin Lou, University of Shanghai for Science and Technology, China

Prof. Yan Wang, Nanjing University of Aeronautics and Astronautics, China

Prof. Zheng Hong Zhu, York University, Canada

Prof. Ramesh K. Agarwal, Washington University in St. Louis, USA

Conference Proceedings

All papers will be peer-reviewed by members of the Program Committee and be evaluated for originality, significance of the contribution, technical correctness. Accepted papers being presented at the conference by at least one of the authors will be published into AAME2027 Conference Proceedings, and reviewed by the *Ei Compendex and Scopus*, etc.
